

## LDR-24 SS Caster Installation

***Please read carefully before first use.***

Protective film should not be peeled off until completing all steps.

### **Caster Installation**

- 1) Carefully lay the front side of the unit down on a flat surface.
- 2) Using the (16) 1/4-20 x 3/8" fasteners provided, attach (2) rigid casters towards the front of the unit, and attach (2) swivel casters towards the back of the unit.
